δούλος : doulos (n)

The purpose of *Doulos* is to help students grow in their
relationship with Jesus through one-to-one discipleship and accountability.

Doulos is a discipleship ministry we offer students who are interested in more
weekly and in-depth personal discipleship. This is an application based ministry.
**Please note that no one who fills out the application and turns it in on time will
be turned away.** We simply want to see students demonstrate an intentional and
serious willingness to be part of this ministry. We have high expectations and
want each student who signs up to strongly consider if they can commit to the
expectations below as a priority.

Expectations for Doulos:

- **Must attend TBC Student Ministry activities on a regular basis.**
- **Must consistently meet with their Doulos leader.**

Doulos is the Greek word for "slave." A slave is someone who is committed to serving and obeying their Master. *Did you know that the Bible calls Christians "slaves of Jesus Christ?"* This means listening to Him and obeying what He has said in His Word. In *Doulos,* our desire is that you would grow in your relationship with Christ. We want to help you learn what it means to know, serve, listen to, and obey Christ. By filling out this application, it demonstrates that you are committing yourself to this ministry.
